

SAUVIK BANERJEE

CONTENT STRATEGIST

Lucknow, India | +91 8081472574 | ban.sauvik@gmail.com | [LinkedIn](#)

SUMMARY

Content strategist with 5 years of experience building content and growth strategies from scratch, scaling audiences to 30M+ monthly views through experimentation, data, and a deep curiosity about what makes people click, share, and act. Independently built communities to 92,000+ followers and an AI-powered content tool from concept to MVP, betting on new ideas and learning fast. Partners cross-functionally with product, growth, and design teams to bring campaigns to life across multiple channels.

SKILLS

Content Strategy & Storytelling • Growth Experimentation & A/B Testing • Consumer Behavior & Audience Insights • Copywriting & Creative Strategy • Cross-Functional Collaboration • Social & Community Building • Data-Driven Decision Making • Building 0-to-1 Campaigns & Products • Google Analytics • AI Workflows • B2B Outreach • Prompt Engineering & Vibe Coding

PERSONAL PROJECTS

- **Sports & Media Growth Campaigns:** Independently built and scaled digital properties across [Instagram](#), [Facebook](#), [newsletter](#), [YouTube](#) and [web](#) to 100,000+ combined followers/subscribers and 150,000+ lifetime pageviews through SEO and organic distribution, while also earning engagement from sporting legends including Shaquille O'Neal and Deion Sanders.
- **SoooperScript (AI-Powered SaaS Tool):** Independently conceived, designed, and built an first-of-its-kind AI content creation platform from concept to MVP, designing creator-centric AI workflows to streamline content creation through user feedback.

PROFESSIONAL EXPERIENCE

The SportsRush, Content Strategist (Jul 2023 – August 2026)

- Scaled the NFL content vertical from 1M to 7M monthly views by defining, executing, and optimizing data-driven content and distribution strategies across multiple digital channels, resulting in sustained audience growth and higher user engagement.
- Improved content quality, operational efficiency, and delivery against performance goals by leading, coaching, and mentoring a 9-member cross-functional editorial team while fostering a culture of continuous improvement and accountability.
- Accelerated user adoption to 15,000+ app downloads by partnering cross-functionally with product and growth teams to define content strategy and optimize content experiences using audience insights and performance data.
- Build and test content strategies from scratch for a newly launched consumer mobile app, partnering with product and growth teams to run experiments and iterate quickly based on results.
- Maintained audience engagement and content performance during major platform algorithm shifts (Google Discover updates), by rapidly adapting content strategy through data-driven experimentation and continuous performance analysis.

Essentially Sports, Content Manager (Aug 2021 – Jul 2023)

- Scaled the NFL division from 4M to 30M monthly views by defining and executing data-driven content and distribution strategies informed by audience insights, performance analytics, emerging content trends, and continuous experimentation.
- Improved operational efficiency and consistently achieved editorial performance targets by leading end-to-end strategy and optimizing workflows across a 17-member cross-functional team, ensuring seamless execution across daily operations.
- Used data analysis and audience insights to inform content and publishing decisions, including headlines that earned organic shares from sporting legends like Rob Gronkowski and Antonio Brown.

Kyari Innovation, Digital Marketing Intern (May 2021 – Jun 2021)

- Executed targeted B2B outreach and brand-positioning initiatives, building relationships with prospective partners and supporting early-stage business development efforts, before their appearance on Shark Tank India season 2.

CERTIFICATIONS

- Google Ads Search Professional Certification (2026)
